## Office News

We have had some calls lately about people putting their clothes in the washer or dryers and going off and not watching it. Please remember that you are sharing these washer and dryers with your neighbors and if you do not watch the time of use they cannot do their wash. You would not like this if you needed to get your wash done and neither do they. Please have

respect for your neighbors. If by chance you use the washer or dryer and it is not working please leave a note on the equipment not working so they do not lose their money in the washer or dryer.

## Maintenance news

Maintenance has asked that I let everyone know anyone who has a vehicle here and it does not have current tags, it will be removed off of the property. Our Rules and Regulations state all vehicles must be operable and legally licensed. No broken down cars can be stored anywhere on Coach House Manor property. Should we have to have your vehicle towed you as the owner will be responsible for the cost.
